Gold Nuggets are a finalist for the 2012 HBCU Awards

XU's women's basketball program is a finalist for the 2012 HBCU Awards. The Gold Nuggets are one of four finalists for women's team of the year — the others are Maryland Eastern Shore bowling, Florida A&M volleyball and Shaw basketball. Criteria for the finalists were winning a conference championship, maintaining good standing with graduation and academic progress rates and serving as a goodwill vehicle for their institutions during the 2010-11 academic year. Winners will be announced at an April 20 ceremony at Bowie State University in Bowie, Md. A panel of chancellors and presidents from HBCUs (historically black colleges and universities) named the finalists and will select the winners.
