Program Assessment Committee: AY 2007-08

Minutes: Tuesday, December 18, 2007: 1:05 pm

Absent: A. Aruna, R. Indovina, R. Strong

I. Minutes – November 20th meeting

* The minutes were approved by the committee

II. Assessment Plan 2007-08

The committee agreed to assess the mission of the College of Pharmacy. The mission will be divided into three outcome areas as follows:

a. The College of Pharmacy will prepare graduates to provide patient-centered care in medically underserved areas in an effort to eliminate health disparities.

b. The faculty, staff, and students will participate in community service projects in an effort to eliminate health disparities.

c. The faculty, staff, and students will engage in scholarly activities in an effort to eliminate health disparities.

III. AACP-ACPE Surveys

Dr. Harris asked the committee to develop criteria for the following terms used in the student progression data and the assessment results of the AACP-ACPE surveys.

a. High risk course (student progression data) – should consider the number of failures in the course; should consider its impact on other courses-does the course serve as a pre-requisite for other courses

b. Area for improvement (AACP-ACPE surveys) – ?

The meeting was adjourned at 1:58 pm.
