

Program Assessment Committee: AY 2007-08

Minutes: Monday, June 9, 2008:10:08 am

Present: R. Allen, L. Blakley, I. Borghol, C. Gauthier, D. Jamero, D. Mihm, L. Mihm

Absent: A. Aruna, T. Huang, R. Indovina, R. Schexnayder

I. Minutes – March 12th and May 30th meetings

- * The minutes were approved by the committee

II. Curricular Map - Program Outcomes

- * The purpose of this meeting was to decide on a presentation format for the primary analysis of the Program Outcomes curricular map. The committee agreed that the following format should be used in our presentation to the faculty.

Domain title

Outcome description

Competency description

Connection between course and outcome (CBCO) - list the number of courses that address the outcome; comments on where the outcome is introduced, reinforced, or emphasized in the curriculum

Teaching methods - list the number of courses where active learning and lecturing occurs (comparison); comments on where active learning occurs in the curriculum; list the number of courses where the teaching methods are not defined

Assessment methods - list the number of courses where performance based assessments and tests/quizzes are employed (comparison); comments on where performance based assessments are used in the curriculum; list the number of courses where the assessment methods are not defined.

The meeting was adjourned at 10:50 am.
