* The minutes were approved by the committee

II. Assessment Plan 2007-08

The committee decided to examine the mission of the College of Pharmacy as its primary assessment activity for the 2007-08 academic year. In particular, the committee will focus on the number of African Americans who become licensed pharmacists.

This assessment activity will explore the following:

a. The recruitment of African Americans into the College of Pharmacy – e.g. OSA outreach program, UNCF articulation agreements, etc.
b. The number of African Americans who are admitted into the College of Pharmacy – evaluate new admissions rubric
c. Satisfactory academic progress of African American students in the College of Pharmacy – attrition and retention rates, AEP, etc.
d. The number of African American students who graduate from the College of Pharmacy
e. The number of African American students who pass the NAPLEX and MPJE – the students will have to sign an authorization form to release their test scores in order for us to obtain this information

III. Assessment Plan 2006-07

The committee made the following recommendations regarding the “Student Progress in Required Courses” assessment:

a. Identify all students who failed more than one course
b. Identify the exact number of P-tweens who failed one or more courses
c. Identify the failing students by race
d. Determine if there were any failures in the Introductory to Pharmacy course

IV. Program Assessment Web page

  a. R. Allen provided a brief overview of the web page
  b. L. Blakley will send the link to the web page to the committee members for feedback

V. Miscellaneous

a. Reminder – there will be an assessment workshop on 9/28/07 at Noon in room 420
