

# NASA Pre-Service and K-12 Teacher Workshop

**March 29, 2012**

**9:00 a.m. – 3:00 p.m.**

**Xavier University of Louisiana**

**University Center (Building 17), Room 308**

This NASA Education Science, Technology, Engineering, and Mathematics (STEM) Workshop is designed for Pre-Service and K-12 Teachers to gain resources and activities for the classroom and informal settings.

The workshop will provide:

- NASA-developed curriculum support resources that meet national standards.
- Ideas for integration of NASA Education resources and activities into lesson planning and curriculum.
- Hands-on, inquiry-based methods for teaching science, mathematics, and state-of-the-art methods of incorporating technology into teaching.
- Presentations by NASA Aerospace Education Specialists.
- 5 Continuing Learning Units (CLUs)

**No cost to register and attend.**

**Registration Deadline: March 22, 2012**

Submit online Registration at: [www.xula.edu/education](http://www.xula.edu/education)  
(see NASA/STEM Training)
