

Save with Humana's prescription mail-order service

Get a three-month supply and save a copayment

As part of your Humana prescription benefit, you can get up to a 90-day supply of medications for just two copayments when you order by mail. With the high cost of medications, you can't afford to miss out on these savings through *RightSource*,SM Humana's mail-order prescription service. Besides saving on copayments, you'll enjoy the convenience of having the medications delivered right to your door.

Three easy ways to order:

By mail:

- Ask your doctor to write a new prescription for no more than a 90-day supply of your medication, including refills if appropriate.
- Ask your employer for a *RightSource* registration and prescription order form or go to "*RightSource* Mail Order" at **www.humana.com** to download and print the form. Complete the form and mail it with your written prescription and payment for a 2 month supply. For example, if your copayment is \$20 for a one-month supply, send a check for \$40. If you prefer, you can pay by credit card.

By fax:

- To get the form you need, go to **www.humana.com**, click on "*RightSource* Mail Order" and click on the link to "*RightSource* Physician Fax Form." Fill out the top section of the form and have your doctor fill out the bottom part. Ask your doctor to fax the order to **1-800-379-7617**.

By phone:

- To order a refill by phone, call **1-800-379-0092** anytime – 24 hours a day, seven days a week. Have your prescription number and credit card information handy.

That's all there is to it! About two weeks after placing the order, you'll receive your medications, wrapped in plain, tamper-resistant packaging for safety and privacy.

If you have questions about ordering your prescriptions by mail, please call *RightSource* at **1-800-379-0092**. For information about your prescription drug benefit, call the Customer Service number on your Humana ID card.
