

“DOUBLE VICTORY” DOCUMENTARY FILM

From IBCS' Th.M Degree Associate Director – Cecilia A. Moore, Ph.D.

Try to see "Double Victory" this winter.

Double Victory is a documentary companion to ***Red Tails***, a new film produced by George Lucas about the legendary Tuskegee Airmen of World War II, the first African American aerial unit. Tune in to ***Double Victory*** on the HISTORY Classroom on Feb. 6th & 12th at 6am/5c. on DIRECTV (the History Channel is 269 and H2 is 271). Dr. John Morrow, Chairman of the Department of History at the University of Georgia, is featured prominently in this documentary as a commentator. The documentary contains excellent vintage film footage and poignant, revealing interviews with several surviving Tuskegee Airmen. It will undoubtedly provide many interesting points of contrast with the commercial film being released January 20, 2012.

Check your local television listings for more opportunities to see ***Double Victory***.
