SURPRISE SOMEONE WITH A THANK YOU!

Be creative—here are some suggestions:

- Take quiet moments during the day to thank God for EVERYTHING.
- Replace the usual “Hello” with “Thanks!” and a smile.
- Students—Clap at the end of class.
- Professors—Treat your students.
- Classmates—Tell someone you appreciate them.
- Friends—Send a note to an emeritus professor. Most are still on XU email (for SBS, send to Sr. Monica).
- Hold the door open for the person behind you.
- Bring a flower or a note or a piece of candy to the person who welcomes you to an office, or picks up the trash, or cuts the grass.
- Give out some hugs and candy kisses
- Call, text or tweet a THANK YOU message to those who support you.
