May is International Internal Audit Awareness Month!

To build awareness of internal auditing all around the world, May is designated as International Internal Audit Awareness Month. Xavier University of Louisiana Office of Internal Audits is here to provide a range of services designed to support Xavier’s mission and help the university meet its objectives. One of the department’s key roles is to help the University accomplish its mission in learning, research and public service by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

Help us observe the month and join us Friday, May 29, 2015 at 2 p.m. for Refreshments to celebrate (Xavier South Room 403)
