

Official Commencement Photographs

Official photographers will be on hand at Commencement to capture each candidate as they receive their diplomas.

Photographs can be viewed and ordered 4 to 5 days after the ceremony at: <http://orders.gradphotonetwork.com>. Graduates will receive an email once the photos are available on the website, along with their pin number, which will allow them to view and order their individual portraits online 24/7.

A proof order form will be sent out approximately 1 week to 10 days following graduation. This form may be used to order official photographs by mail or fax.
