This will be an excellent opportunity for you to attain valuable information. Seniors will be able to interact with representatives and receive information vital to commencement or future plans all in one setting.

Things that you can get done at the fair include:

Diplomas: The *Registrar's office* will be on hand to make sure you have your graduation applications in and tell you what you need to do to make sure that you receive a diploma when you walk across the stage in May.

There are steps that must be taken, so stop in and save yourself some grief and maybe even a little interest.

\$0 Balance: We don't want you to leave anything behind so please stop by to make sure you're cleared with *Student Accounts*. They can make sure a few dollars won't keep you from receiving your much deserved piece of parchment.
