

V. Faculty and Staff

There are currently 221 full-time faculty members. Table 34 lists the number of faculty by academic divisions/departments. The accompanying chart lists percentages within academic divisions. Xavier currently has 52% male and 48% female full-time faculty. Table 35 gives a breakdown by rank, gender, and ethnicity for all full-time faculty in the university. Tables 36, 37, and 38 give the same breakdown for faculty in the College of Arts & Sciences, College of Pharmacy and the Division of Education & Counseling, respectively. Table 39 shows the Student/Faculty ratio for the various departments and academic divisions of Xavier University. Table 40 illustrates the tenure status of full-time faculty members based on gender and ethnicity. Table 41 illustrates the percentage of full-time faculty by academic departments that have terminal degrees. Ninety-seven percent of Xavier's full-time faculty has terminal degrees; in fourteen academic areas all faculty have a terminal degree.

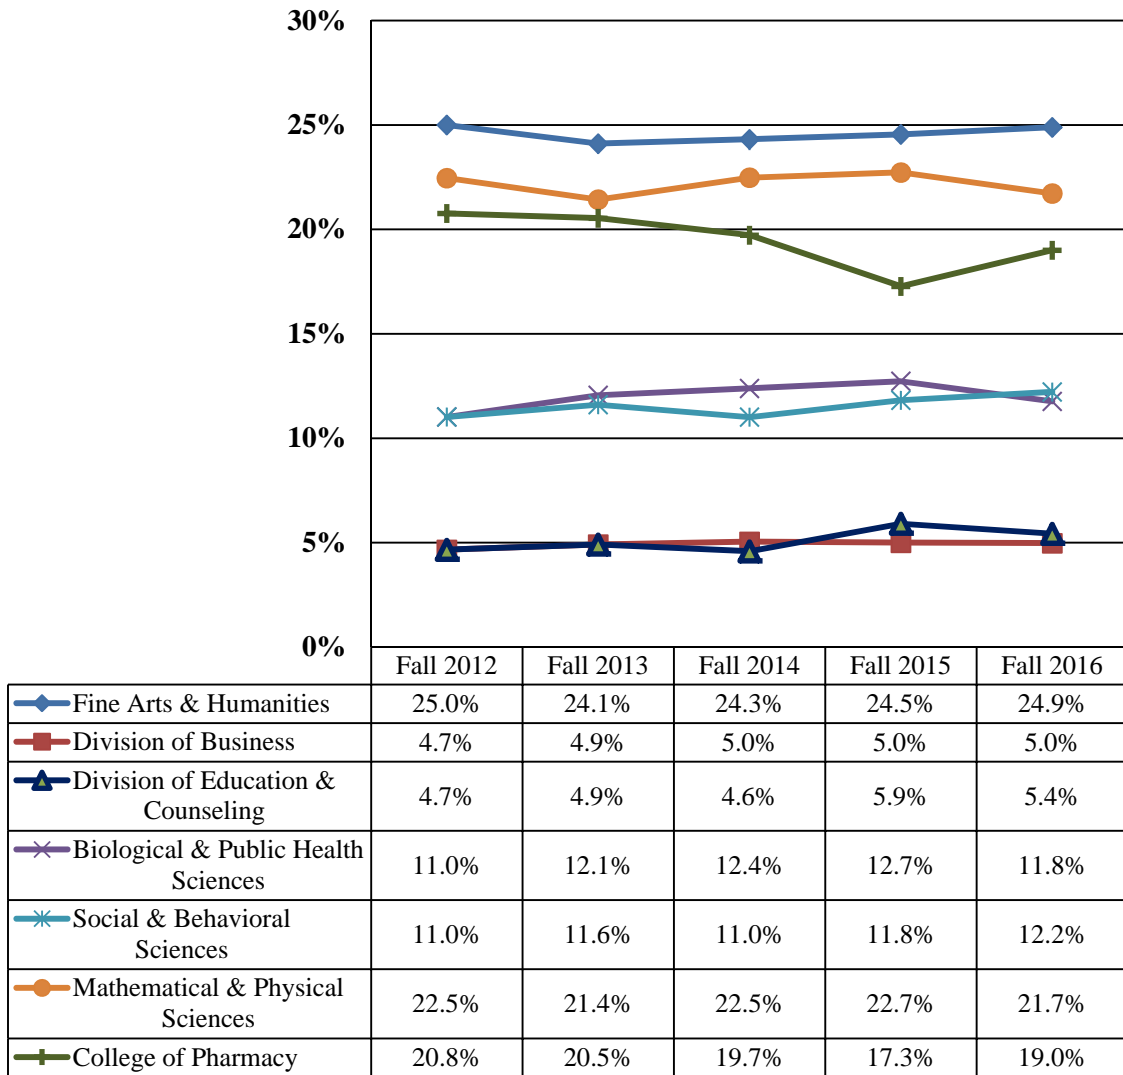

Ninety-one percent (456) of Xavier's staff are full time employees. Table 42 shows the number of fulltime and parttime staff by gender utilizing the Standard Occupational Classification (SOC) system. Table 43 gives a breakdown of length of employment by gender and employment status. Almost 60%, (59.9%) of Xavier's fulltime staff employees have been at Xavier ten years or less and 15% have been employed over twenty years. Two-thirds (66.5%) of Xavier's staff employees are women -- Table 44 lists the number of staff based on gender and race/ethnicity by employment status.

¹ DATA SOURCE: Compiled by the Office of Planning, Institutional Research, and Assessment. Data supplied by the Registrar's Office and Vice President for Academic Affairs.

² Academic Divisions of Fine Arts & Humanities, Biological Sciences & Public Health, Mathematical & Physical Sciences, Social & Behavioral Science created during the 2014-2015 academic year; the Division of Business was previously in existence; and the Division of Education was renamed the Division of Education & Counseling.

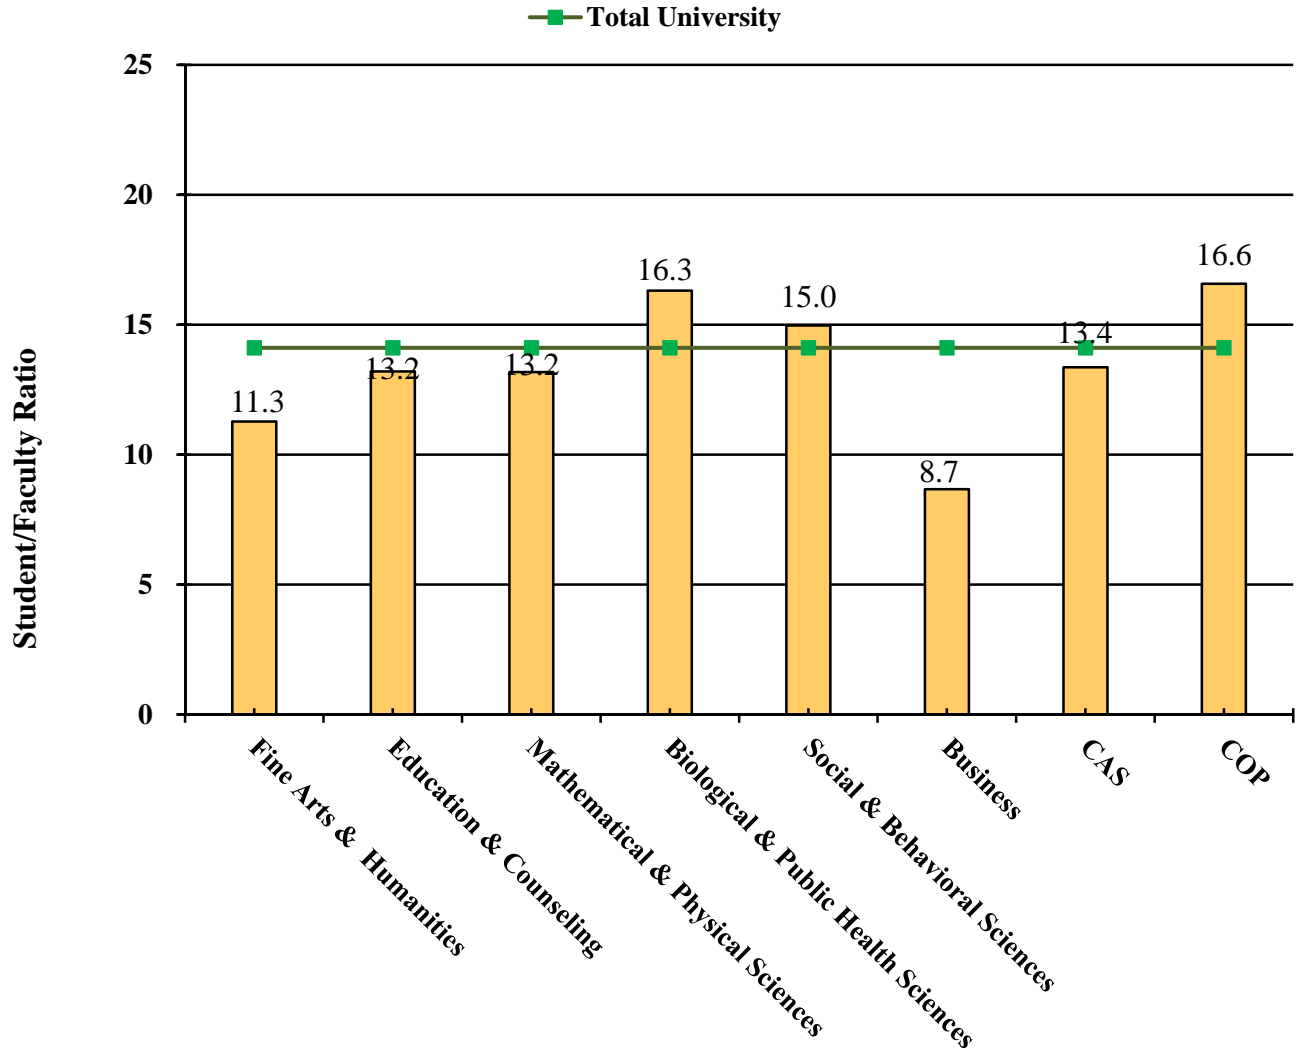

³ Includes, as full-time faculty members, faculty with release time for research and/or certain administrative duties. Each full-time faculty member, regardless of course load, is counted as 1 FTE faculty. Faculty teaching courses in several departments are counted only in their major department. Adjunct faculty in the College of Pharmacy are not included.

⁴ "Student semester hours" is the total number of students enrolled in a course multiplied by the semester hours for the course.

⁵ Assuming, for students, 15 sem. hrs. = 1 FTE undergraduate; 6 sem. hrs. = 1 FTE graduate. Does not include non-credit courses or team taught course in the College of Pharmacy.

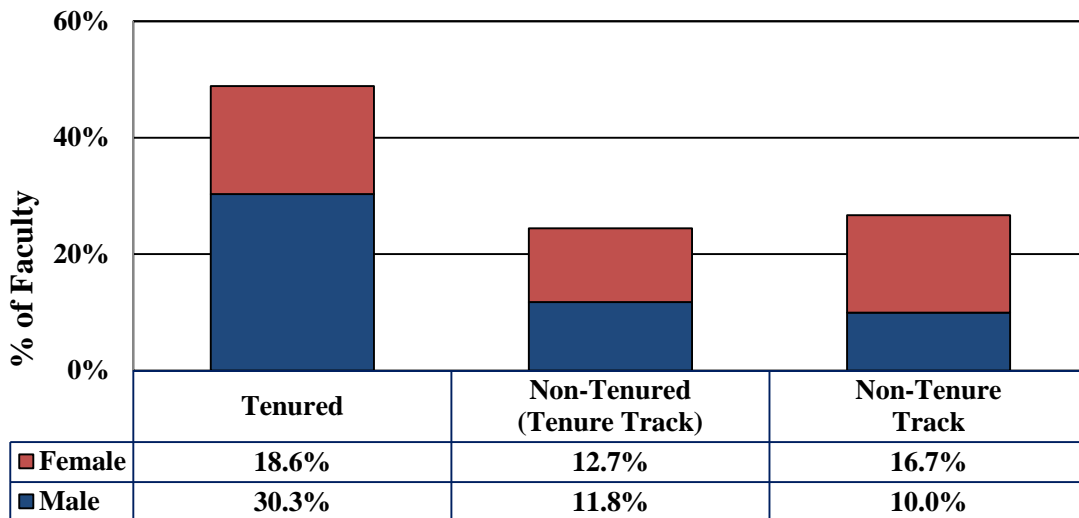

⁶ Education faculty members teach both undergraduate and graduate courses. Hence, only the total FTE faculty and the total Student/Faculty ratio could be calculated for the Division of Education & Counseling.

¹ The 2010 Standard Occupational Classification (SOC) system is used by Federal statistical agencies including the Bureau of Labor Statistics and IPEDS to classify workers into occupational categories for the purpose of collecting, calculating, or disseminating data. All workers are classified into one of 840 detailed occupations according to their occupational definition. To facilitate classification, detailed occupations are combined to form 461 broad occupations, 97 minor groups, and 23 major groups. Detailed occupations in the SOC with similar job duties, and in some cases skills, education, and/or training, are grouped together.

² Count reflects four week staff census data.

43. Xavier University of Louisiana Staff Length of Employment by Status and Gender Fall Semester 2016			
Length of Employment	Male	Female	Grand Total
