

Worksheet for Premeds at Xavier University of Louisiana

Summer Plans II

This page is to be completed by freshmen and turned in before leaving the workshop in the SPRING term. It is available at www.xula.edu/premed.

1. Which of the following do you expect/hope to be doing in the summer?

- Go to summer school at XU
- Go to summer school somewhere else
- Go to a summer enrichment or research program
- Work at a job that you ALREADY have lined up
- Work at a job that you HOPE to get

2. Which of the following have you done SO FAR in preparation for the above?

a. If you plan to go to summer school at XU...

•Do you have a place to stay? Explain. (FYI: XU's dorms are app. \$200/week during the summer. This means \$1000 room and board ALONE to attend one of the five-week sessions).

•Why are you going to summer school? Because you are behind, and you wish to catch up? Because you want to get ahead, and lighten your load? Other. Explain.

•Have you considered what course(s) you might take in summer school?

b. If you plan to go to summer school somewhere else...

•Why are you going to summer school? Because you are behind, and you wish to catch up? Because you want to get ahead, and lighten your load? Other. Explain.

•Have you considered what course(s) you might take in summer school?

•Are you familiar with the procedure for requesting to pursue courses at another college or university (i.e. obtained the Request to Pursue a Course at Another University)?

c. If you plan to go to a summer enrichment/research program...

•To which program(s) have you already applied?

•To which program(s) have you already been accepted?

d. If you plan to work or volunteer...

•Where will you be working/volunteering?

•How certain are you actually have the job?

•What are your alternate plans in case the job falls through?
