Saturday Workshop Series for Middle School & High School In-service Teachers

Xavier University of Louisiana

Spring 2005 Workshop

Science, Engineering, & Mathematics Programs

Phone: (504) 520-7646
Web site: http://www.xula.edu/programs
What is it?
A series of Saturday workshops designed to introduce middle and high school science and mathematics teachers to the “activity-based” approach for teaching science and math concepts.

Who will conduct the workshops?
Experienced STEM faculty. [Biology, Chemistry, Computer Science, Mathematics, and Physics]

What are the workshop topics?
- PHYSICS
- MATH
- CHEMISTRY
- BIOLOGY
- COMPUTER SCIENCE

When will the workshops be held?
Each topic will be presented from 8:00 a.m. – 11:00 a.m. on consecutive Saturdays.

Is there a cost associated with attending these workshops?
NO! As a matter of fact, workshop participants will receive a stipend of $500 per semester for completing the workshops.
