

**Schedule of Strategic Planning Workgroups  
To Meet with Dr. Scheye  
Thursday, February 7, 2008**

We have blocked off Thursday afternoon from 1:00 to 5:00 for strategic planning workgroups to meet with Dr. Scheye. These sessions provide opportunity for the workgroups to report progress and to discuss issues which have emerged during their initial working sessions.

We are pairing two workgroups for each 45-50 minute session. The idea is to begin to familiarize members in different workgroups with issues and progress of other groups.

We have scheduled the Admin Annex Board Room for the meetings. The time indicated is when the workgroup session is scheduled to begin.
