Department of Education Replaces Federal Student Aid PIN

The Federal Student Aid PIN was replaced with the FSA ID on May 10, 2015. The new FSA ID consists of a user-created username and password to electronically access personal information on Federal Student Aid Web sites, including FAFSA on the Web. Students, parents, and borrowers are required to use an FSA ID, made up of a username and password, to access certain U.S. Department of Education websites. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your federal student aid documents.
