FERPA RELEASE FORM
For
Financial Aid & Scholarships
(Family Educational Right and Privacy Act)

Any Student that would like to share their information with another individual must complete the FERPA form.

The form enables the financial aid office to release or discuss your student financial aid and scholarship information only to individuals you request. Your dependent can check their XULA email for further information.
PLUS Loan Information

Although you may have accepted the Parent PLUS loan offer on your dependent’s award notification, you must complete the PLUS loan credit check.

Listed below are the steps to complete the plus loan credit check:

2. You, the PARENT, should sign in under Manage My Direct Loan using your PIN (Personal Identification Number) which is also used to sign the FAFSA. If you, the PARENT are unsure of your PIN, the pin can be reissued by going to www.pin.ed.gov.

3. When the next page opens, select Request PLUS Loan from the menu in the center of the page.

4. Follow the steps to complete the application and credit check. In the school name section, be sure to select Xavier University of Louisiana.

5. The results of your credit check will be available immediately. If your credit is approved, you will be given instructions for completing a PLUS Loan Master Promissory Note.

6. If your credit is not approved, you will have the options to (1) appeal the credit decision by contacting the Direct Loan Servicing Center at 1-800-557-7394, or, (2) obtain an endorser, or (3) your dependent can apply for the additional unsubsidized loan.
