Tips to Become an Active Reader

**Recite**
- Speak and write answers to questions
- Speak information back into a recorder and play it back
- Explain materials to a friend
- Work in study groups

**Focus**
- Key in to main ideas of paragraphs, sections and chapters
- Recognize summary and support devices
- Highlight important concepts
- Analyze tables and figures

**Write**
- Write questions
- Answer questions through focused note taking
- Answer end-of-chapter questions
- Rewrite and summarize notes and highlighted materials

**Organize**
- Divide material into manageable sections
- Create chapter outlines
- Create think links that map concepts logically
- Make and use flash cards to learn key concepts

List three examples of what to look for when previewing a reading assignment.
