## 2021–2022 Verification

### Independent Student Tax Return Non-Filer

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you (and your spouse, if applicable) reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this form and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this form, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed. Please monitor your XULA email for any correspondences.

**IMPORTANT:** Regardless of the option selected (previous page), an Independent student (and/or spouse, if applicable) must provide confirmation of non-filing from the IRS or other relevant tax authority dated on or after October 1, 2020 that indicates a 2019 IRS income tax return was not filed with the IRS or other relevant tax authority. If you have requested a non-filing confirmation from the IRS or other relevant tax authority and have been unable to obtain the document, you may write and attach a statement indicating the attempt and failure to receive for the resolution of this requirement.

Verification of Non-Filing Letter can be retrieved online from the IRS website at <https://www.irs.gov/individuals/get-transcript>.
