

# Drug Information Request Form

This is a professional service of the Drug Information Center at Xavier University of Louisiana College of Pharmacy.

The Drug Information Center is not able to answer inquiries from the lay public. All public inquiries should be directed to the individual's personal healthcare provider (Physician or Pharmacist).

If you would prefer to contact the Drug Information Center directly, please call (504) 520-7813 or send an email to [druginfo@xula.edu](mailto:druginfo@xula.edu).

In order to provide the most appropriate response to your question, it may be necessary to contact you for additional background.

Please enter your contact information and detailed drug information question below:

\*Required

Full Name:\*

Title\*

Business/Institution:\*

Phone number with area code:\*

Fax number with area code:

Email Address:

Enter your detailed drug information question:\*

Choose the priority of the request:

For high priority requests, consider calling the DIC directly at (504) 520-7813.

Request Termination Date:

Under some circumstances, it may not be possible to provide a response within the desired timeframe. Please enter a date & time (MMDDYY-HR) in which the requested information would be too late to be useful.

Please be sure the form is complete, then click the "Submit by Email" button.
