The Division of Education and Counseling spearheaded the recent opening of the Xavier University Gert Town Community Outreach Center located at 7934 Edinburgh at the edge of the campus. The Division has been working closely with the residence of the Gert Town community to provide services such as community outreach activities, tutoring, and counseling services which takes place in the Community Outreach Center. Outreach activities included Xavier students going door-to-door to each residence to survey needs of the household to include monetary assistance in paying monthly electric bills. The Division and Gert Town leaders worked together to organize a service learning project in honor of Martin Luther King. The event started at the Community Center with basic "home" improvements such as putting up curtains, setting up classrooms and organizing a library. The final event was the beautification of the poverous Gert Town area by picking up debris.

The Division recently started a tutoring program at the Community Center for 9th to 12th graders residing in the Gert Town area. The tutoring is supervised by Dr. Rosalind Hale and our education majors conduct the tutoring Monday thru Thursday from 3:30 p.m. till 5:00 p.m. The tutoring focuses on three areas: Mathematics, Language Arts and Reading Comprehension. The tutors use

educational materials from the Community Center Library; such as, work books, educational games and on-line educational materials.

A new initiative this summer is the Mathematics & Science Teacher Academy (FMSTA) on campus. It is designed to provide rising 9th and 10th grade students with mathematics and science knowledge they will need to become teachers.

To continue to improve our candidates' research and assessment skills, the integration of a research paper into EDUC 4060S Teaching Seminar that focused on P-12 student learning. The candidates gathered and analyzed data to make recommendations to improve P-12 grade student learning.
