INSTRUCTIONS ON OBTAINING CPE CREDIT

1. To obtain CPE credit, you must provide your NABP e-Profile ID number, birth month, and birth date.
2. You must complete the Evaluation Form to receive the CPE credit. The link to the evaluation form is shared below and can also be accessed via the QR code.

Accreditation

Xavier University of Louisiana College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The ACPE Universal Activity Number is 0024-0000-26-023-L01-P - Hours 1 (0.1). Participation in this event earns up to 1.0 hour (0.1 CEUs). This knowledge-based activity is of importance to all pharmacists.

Participants must complete the evaluation form to receive a Statement of Continuing Pharmacy Education Credit. Continuing Pharmacy Education Credit will be reported directly to CPE Monitor within 60 days following the event. As we still process CPE submission manually, additional time is needed to compile, verify and upload necessary information to CPE Monitor.

We appreciate your patience, understanding, and cooperation as we work to ensure that all credits are processed accurately. Thank you for your participation and support.

Please complete the evaluation form by 11:59 PM CST, December 6, 2026.

023. Proteins and Peptides
