NOTE: According to data made available by the Association of American Medical Colleges (AAMC), a total of 136 applicants who attended Xavier submitted applications to allopathic medical schools via the American Medical College Application Service (AMCAS) for entry in 2018. Of those applicants, 51 were accepted into medical school. The acceptance list above only includes the names of students who granted Premedical Office personnel permission to publicize their information. National applicant and matriculant data from the AAMC are available [here](#).
