(504) 520-5087 • (504) 520-7919 Fax

Xavier University Speech-Language & Hearing Clinic (XUSHC)

909 S. Norman C Francis Pkwy • Suite 510 • New Orleans, LA 70125 • (504) 520-5087

We are now looking for clients (children and adults) needing evaluations and therapy services. All sessions are supervised by board certified and licensed speech-language pathologists.

Speech-language services include but are not limited to:

- Accent or dialect modification
- Speech Sound Disorders (articulation, apraxia, childhood apraxia of speech, voice, fluency, ...)
- Language delays/disorders
- Auditory processing disorders
- Augmentative & alternative communication
- Cognitive-communication disorders
- Feeding and swallowing disorders

Hearing and audiology services:

- Hearing evaluations by a board certified Audiologist
- Hearing screenings to identify the need for an audiological referral
- Hearing screenings for school and work requirements

Benefits of XUSHC:

Affordable rates 1 time per semester - \$85 per semester
Individual or small group therapy
Home Programs to carry over therapy progress

Please contact Mrs. Denise Hutchinson, for more information regarding clinical services.
