

Acceptances in 2025-2026

Xavier has been a leader nationally in placing African-American students into medical school, and the University continues to do well as evidenced by the fact that **23 Xavier students have reported being accepted into medical and other types of health professions schools and related programs for entry in 2026**. Congratulations to the following students who have reported acceptances to the Premedical Office for entry in 2026 (updated 3/4/26):
